RiverStone Medical Director

Before you visit RiverStone...

Please call to schedule an appointment before coming to the clinic. If you have an emergency, please go to urgent care or the emergency room.

Punctuality helps everyone

Please plan to arrive 15 minutes before your appointment and 30 minutes early if you are a new patient because you will need to fill out some paperwork.

Call RiverStone at least 24 hours in advance if you are unable to keep your scheduled appointment time.

If you have 3 missed appointments that you did not cancel, you may no longer be eligible for services at RiverStone.

Caring Medical Assistants
make your office visit a
positive experience.

Our Staff

We have 4 medical providers who are dedicated to offering you the best care possible.

More than half of the RiverStone staff, including doctors, nurse practitioners and front desk staff are Spanish speakers.

We are here to see all members of the family; children, adults and seniors.

Affordable health care for everyone

It is important that if you have insurance you show us your card when you arrive to your appointment. If you do not have insurance, your eligibility for sliding scale fees will be determined based

Specialist

on your income. Call us for more information. If your medical card has expired, please renew it before your appointment. If you would like to apply for or renew your OHP benefits, we have applications available at the clinic and an Outreach Specialist that can assist you with the process.

A partnership with a future

Please be prepared to pay your medical co-pay and/or your sliding scale fees at the time of your visit so that we can ensure that the clinic will continue to be here for our community.
