What is Policy Council

Policy Council is a group of interested parents and community volunteers working on behalf of Head Start.

Why would I want to join?

Serving on Policy Council provides parent volunteers with many opportunities. You can:

- ~ Learn leadership skills
- ~ Attend training
- ~ Provide input on parent concerns
- ~ Be a state representative
- ~ Serve on several different committees
- ~ Evaluate the program
- ~ Review program policies, goals and budget
- ~ Learn more about your community and what Head Start has to offer

Yikes! Do I have the experience?

No experience is necessary, just a willingness to be involved. Head Start provides the training on Policy Council roles and responsibilities.

OK, I might be interested, but what am I committing to?

The training will happen in October. The Policy Council meets once a month; members must commit to attending at least 8 of 10 meetings. Food is provided. You receive supplemental funds for transportation and childcare.

Who is in charge of these meetings?

Policy Council elects an executive group: chair, vice-chair, secretary, treasurer, historian, and parliamentarian. The executive group is in charge of the meetings, with support from Head Start staff.
